Weather is a major influence on activities and is particularly changeable in New Zealand, and can cause cancellations or changes at the last minute.

For none guided solely bike shuttles, the third-party suppliers will discuss with the group if adverse weather either prior to or on the day of the shuttle could potentially compromise the safety of the ride. If both parties agree then cancellation is subject to a 70% refund.

For guided biking and hiking tours

The third-party suppliers reserves the right to change the date of departure or conclusion of a tour, postpone or cancel a tour, modify any aspect of a tour or itinerary, substitute different trails or itineraries within the tour, or delay any such aspect of the tour or services if in the absolute discretion of the Provider it is necessary to do so due to inclement weather, heavy rain, high winds, snow, ice, or any conditions that the Provider considers to be hazardous, dangerous, adverse, or threatening to the safety of clients/participants, staff, contractors, or anyone associated with the operation of the tour or services. The weather leading up to the tour or service will also be considered as it affects the condition of the trails and natural environments where the services are carried out. In this case cancellations are subject to a 70% refund.

C. Cancellation or changes to the itinerary, whilst in New Zealand (or within 6 weeks of departure) DUE TO CLIENTS WISHES:

Cancellation due to Your wishes will be subject to 100% cancellation fee and You will be responsible for paying for and re organising either part or the rest of the itinerary (whichever is more significantly affected by the change)

Adventurers Travel Company Ltd reserves the right to apply discretion in special circumstances.

3. Skills, ability and fitness

- A. Adventurers Travel Company relies on the information about Your skill and fitness level that You provides at the itinerary creation stage to suggest various tracks, trails, activities etc.

You are responsible to make Your own enquiries as to the suitability of the routes/trails that You intend to follow, and You will rely entirely on your own judgement in relation to that.

By purchasing the final itinerary, You have accepted that You possess the necessary skills level to participate in the activities detailed.

You must be in reasonable health. If You are unsure, please advise us of Your concerns BEFORE making Your deposit or subsequent payments.

The third-party supplier reserves the right to cancel Your booking, modify any aspect of Your tour, substitute different trails within the tour, or delay any such aspect of the tour or services if in the absolute discretion of the third-party supplier You do not meet the skills, ability and fitness requirements for the specific trail or activity.
